### Profile

Dedicated Full Stack Developer with a passion for innovation and strong technical skills. Seeking an opportunity to leverage my expertise in Java Script, ReactJS and database management to contribute to an organization's success by delivering high performance solutions and driving project excellence.

### Professional Experience

#### ReactJs Developer

Jun 2024 – Jul 2024

Interned at Prelax Infotech as a ReactJS Developer, where I contributed to building web applications using React. Gained hands-on experience in front-end development, working with JavaScript, JSX, and various React tools and libraries.

Surat, India

### Education

#### Bachelor of Engineering in Computer Engineering

Aug 2021 – 2025

Government Engineering College, Sector-28

Gandhinagar

CGPA : 8.20

#### Higher Secondary Certificate (12th Grade)

2020 – 2021

BAPS Swaminarayan Vidhyamandir

Surat

Percentile rank : 88.66

#### Secondary Certificate (10th Grade)

2018 – 2019

BAPS Swaminarayan Vidhyamandir

Surat

Percentile rank : 98.99

### Skills

**Full Stack Development :** — HTML, CSS, JavaScript, ReactJs, NextJs, NodeJs, MongoDB, AppWrite, Framer-motion

### Projects

#### Blog Website

Developed a Blog App using React, Redux Toolkit, and Tailwind for the front-end, with Appwrite as the backend for real-time authentication. Implemented efficient state management and responsive design for a seamless user experience.

#### YouTube Clone

Developed a YouTube clone using ReactJS and MongoDB, featuring user authentication using JWT and Google firebase with dynamic routing. Created a sleek, responsive design for an engaging and user-friendly experience. Hands
